Fixin’ to Save Spay & Neuter Clinic uses qualified staffing and approved materials for all procedures performed. It is important for you to understand that the risk of injury or death, although extremely low, is always present. Carefully read and understand the following:

I, acting as owner/agent of the pet(s) named above, hereby request and authorize Fixin’ to Save Spay & Neuter Clinic, through any veterinarian they designate, to perform an operation for sexual sterilization and administer any vaccines or services requested.

- I understand that the operation presents some hazards and that injury to or death of such an animal may conceivably result, for there is some risk in the procedure and the use of anesthetics and drugs in providing this service.
- I certify that my animals has been vaccinated within one year prior to this date or waive my right to protect my animal by having it vaccinated, or request recommended vaccinations at the time of surgery. I understand it takes up to four weeks for vaccinations to protect my animal.
- I understand the inherent risks of failing to maintain current vaccinations and waive all claims arising out of or connected with the performance of this operation due to such failure.
- I understand that Fixin’ to Save Spay & Neuter Clinic may not perform a complete physical exam before surgery. I also understand that my animal will not receive pre-operative bloodwork and waive my right to have this service performed prior to surgery.
- I certify that my animal is in good health and has had no food since midnight the evening prior to surgery. I understand that Fixin’ To Save Spay & Neuter Clinic has the right to refuse service to any animal to whom surgery is deemed a risk.
- I understand that some factors significantly increase surgical risk, including but not limited to pregnancy, heat, and diseases such as Feline Immunodeficiency Virus, Feline Leukemia, and heartworms.
- I further understand that if, in the course of treatment, a condition is discovered which requires medical treatment or an additional procedure, the attending veterinarian may, in his or her absolute discretion, perform such a procedure or treatment. I consent to these procedures and treatments associated with them and agree to pay any additional charges.
- I understand that if I do not retrieve my pet at the agreed upon time that Fixin’ to Save Spay & Neuter Clinic will exercise its right to re-home the animal as deemed just and proper as allowed by the State of Virginia. Owners of pets left after the agreed date shall be charged a boarding fee of no less than \$20 per night.

I hereby release Fixin’ to Save Spay & Neuter Clinic, all veterinarians, employees, volunteers, and officers from any and all claims arising out of or connected with the performance of this procedure or any adverse reactions from vaccinations. I agree that I have not and will not claim any right of compensation from them, or any of them, or file action by reason of such sterilization or attempted sterilization of such animal or any consequences related thereto. Owner/agent hereby agrees to indemnify and hold Fixin’ to Save Spay & Neuter Clinic harmless for any damages caused during the transportation of the animal, or for any damages caused by any unforeseeable events including fire, vandalism, burglary, extreme weather or natural disasters.

I have read all above information and understand it clearly. I also understand that vaccinations and anesthetic drugs can cause adverse reactions in some animals. I hereby release Fixin’ to Save Spay & Neuter Clinic, the veterinarians, employees, volunteers and officers from any and all claims arising out of or connected with administering vaccines or surgical complications.

I understand that payment in full is required at the time of discharge. We accept Cash/MC/VISA only. NO CHECKS.
